
The New Pension System - (NPS)

The presentation is for education purposes. For complete information, please read the NPS offer document available at www.pfrda.org.in

Plan early for those SUNSET YEARS:

- ✓ Pay cheques stop coming in
- ✓ Lack of Universal Social Security System in India
- ✓ Increased cost of living and skyrocketing medical expenses
- ✓ Deteriorating joint family concept
- ✓ Average human life expectancy has gone up
- ✓ You will have time, keep money with you to Pursue your passions and unfulfilled desires

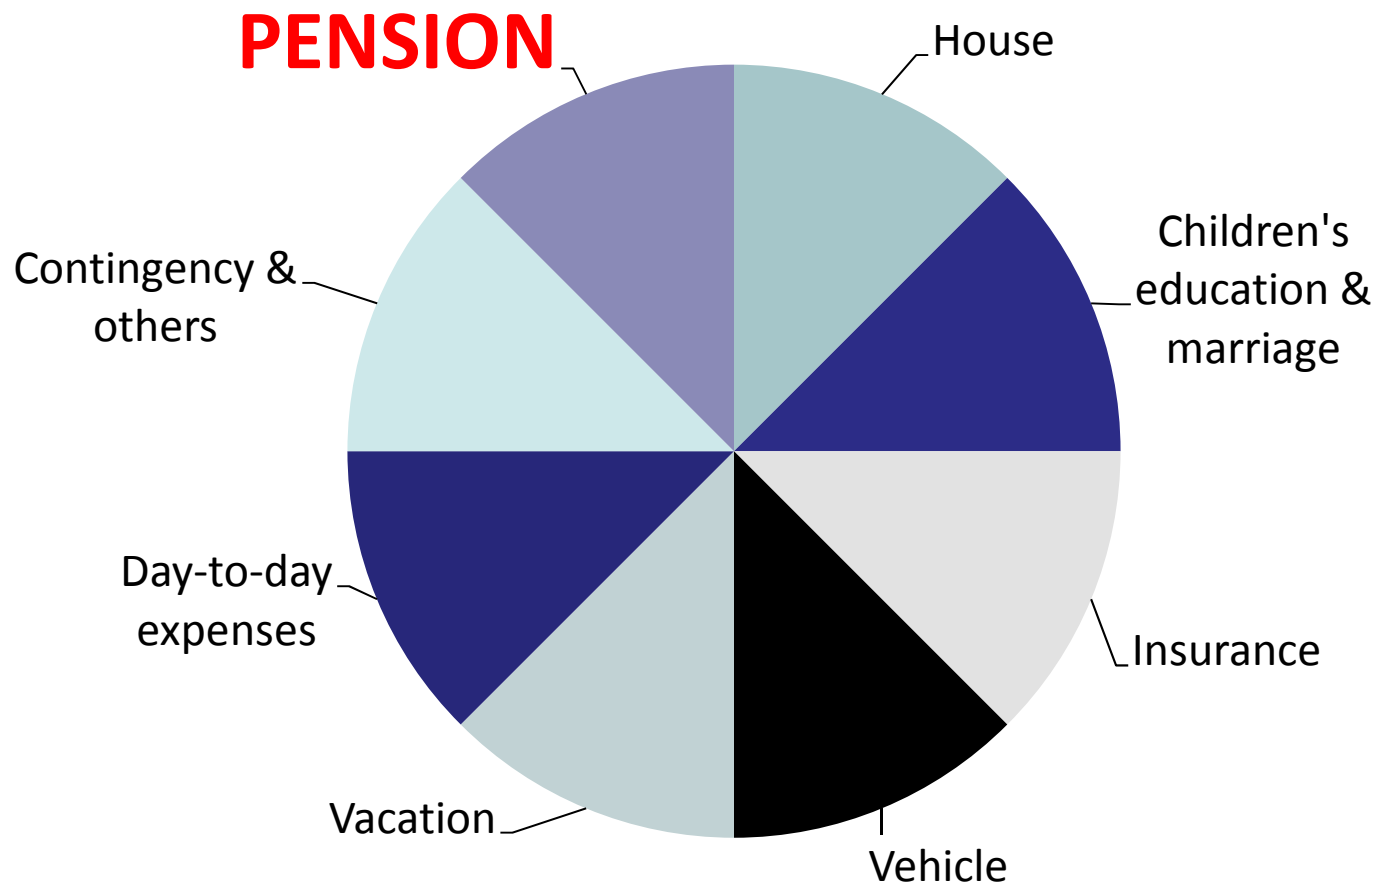

How do I prepare myself for life after retirement:

Start saving for retirement early so that:

- ✓ Savings can be in small monthly installments without need to compromise for immediate needs
- ✓ Disciplined consistent savings will accumulate great wealth
- ✓ Choose savings instruments that suit your outlook and risk appetite
- ✓ Chosen savings instrument should be portable – not tied down to an employer or location or scheme.

Add Pension to SAVINGS :

Traditionally Pension is a not a part of the savings – add it now.

What is the New Pension System (NPS):

- ✓ New Pension System (NPS) is a **defined contribution** based pension system launched by Government of India with an aim to provide **old-age security** coverage and pension for **all citizens of India**
- ✓ The scheme provides investors an option to avail reasonable **market based returns over long term**
- ✓ Periodic contributions will get invested through PFRDA appointed Pension Fund Managers (PFMs) in a combination of investment avenues as per the choice of investor

Why NPS is a Smart Choice:

- ✓ **Creation of Pension Corpus:** NPS is designed as a voluntary saving scheme, with **restricted withdrawal** options. This ensures that the investor can set aside savings during his working life to **create a pension corpus**
- ✓ **Tax Benefit:**
 - **Individual's Contribution:** Investment in NPS made by an individual is eligible for tax exemption under Section **80CCD(1)** read with Section 80CCE of the Income Tax Act, 1961
 - **Employer's Contribution:** **Employer's contributions to** NPS will **NOT** be included in the **Rs1 lakh limit** exemptions that employee avail of **under Section 80C** and thereby allow to **SAVE EXTRA TAX** on this amount under sec 80CCD(2) of the Income Tax Act, 1961
- ✓ **Market based Returns:** NPS offers the investor an option to decide an asset allocation between **Equity** Instruments, **Corporate Bonds** and **Government Securities**, with up to 50% exposure to Equity instruments

Features of NPS

- ✓ **All citizens of India (Resident/Non Resident) who** are between 18-60 years of age and have complied with KYC norms as detailed in the Subscriber Registration Form
- ✓ **Low Charges:** All charges levied under NPS are defined and regulated by Pension Fund Regulatory and Development Authority (PFRDA) to ensure reasonability of charges
- ✓ **Promoted & Regulated by the Government of India:** NPS is a Government of India initiative to provide old age security to all citizens of India. The details of the product are defined and regulated by PFRDA
- ✓ **Portability across jobs and locations:** You can operate your account from anywhere in the country even if you change your City, Job or your Pension Fund Manager
- ✓ **Professional record-keeping and fund management**
- ✓ **No entry and exit loads**

Key stakeholders of the New Pension System:

- **Pension Fund Regulatory and Development Authority (PFRDA):**
 - ✓ The regulator
- **Points of Presence (PoP):**
 - ✓ Service providers appointed by PFRDA for accepting applications and remittances
- **Central Recordkeeping Agency (CRA):**
 - ✓ NSDL is appointed to act as CRA. The main functions and responsibilities of the CRA include:
 - Issuance of Pension Account number (PRAN), record keeping and customer service.

Key stakeholders of the New Pension System:

- **Annuity Service Providers (ASP):**
 - ✓ ASP would be responsible for delivering a regular monthly pension
 - ✓ You will be required to purchase annuity from any of the ASP prescribed by PFRDA on attaining the retirement age
- **Pension Funds (PFs)/Pension Fund Managers (PFMs):**
 - ✓ The six PFs appointed by PFRDA would manage the retirement savings under the NPS. These are-
 - ✓ Kotak Mahindra Pension Fund Ltd.
 - ✓ ICICI Prudential Pension Funds Management Company Ltd.
 - ✓ UTI Retirement Solutions Ltd.
 - ✓ Reliance Capital Pension Fund Ltd.
 - ✓ SBI Pension Funds Private Ltd.
 - ✓ IDFC Pension Fund Management Company Ltd.

How does NPS work- account opening phase

- On opening of account with the help of POP, you will be allotted a unique **Permanent Retirement Account Number (PRAN)**.
- **PRAN will provide access to two personal accounts:**

Tier I Pension Account:

- ✓ This is main pension account
- ✓ Offers Tax Exemptions
- ✓ Tier I is non- withdrawable*

Tier II Savings Account:

- ✓ This is a voluntary savings facility
- ✓ Offers withdrawal facility
- ✓ No Tax benefit on investments

* Please refer the slide on withdrawal for details

How does NPS work - Investment phase

NPS offers two approaches to invest your money:

- **Active choice – Individual Funds :**

- ✓ You will have the option to actively decide as to how your NPS pension wealth is to be invested in three asset classes E (Equity) , C (Corporate debt) and G (Government securities). You may invest in one or more classes.
- ✓ Subscriber can choose to invest entire pension wealth in C or G asset classes and up to a maximum of 50% in asset class E (equity)

Asset Class

Investment Objective

Asset Class E

“High return, High risk” Investments in predominantly equity market instruments

Asset Class C

“Medium return, medium risk” Investments in fixed income instruments other than Government securities.

Asset Class G

“Low return, Low risk” Investments in Government securities

Investment options under NPS:

- **Auto choice – Lifecycle Fund:**

- ✓ In case you are unwilling to exercise any choice as regards to asset allocation, your funds will be invested in accordance with the Auto Choice
- ✓ Till 36 years of age, the auto choice will entail investment of 50% of pension wealth in “E” class, 30% in “C” class and 20% in “G” class.
- ✓ From age 36 onwards, the weight in “E” and “C” asset class will decrease annually and the weight in “G” class will increase annually till it reaches 10% in “E”, 10% in “C” and 80% in “G” class at age 55.

How much to contribute:

Tier I:

- ✓ **Minimum amount per contribution:** INR 500
- ✓ **Minimum contribution per year:** INR 6000
- ✓ **Non Maintenance Charges** INR 100 PA

Tier II:

- ✓ **Minimum amount per contribution:** INR 250 (1st contribution: INR 1000)
- ✓ **Minimum balance at the end of Financial Year:** INR 2000
- ✓ **Non Maintenance Charges** INR 100 PA

Other important points on Tier II account:

- ✓ Customer must have Tier I account to apply for Tier II
- ✓ Bank a/c details and Unsigned Cancelled cheque from the same account are mandatory
- ✓ Tier II account once opened, can not be closed.

When can the subscriber **WITHDRAW** the amount:

Vesting Criteria

Benefit
